The Association of Business Trial Lawyers and the State Bar Litigation Section are presenting a series of informal "brown bag" luncheons during which interested members of the bar can meet informally with members of the California Judiciary in a small group setting. We are honored to have the Honorable Richard A. Kramer of the San Francisco Superior Court participate in this program. Judge Kramer presides in a San Francisco Superior Court Complex Civil Litigation Department.

At the Bench-Bar Lunch, Judge Kramer will discuss how he has handled e-Discovery issues in anticipation of the e-Discovery legislation now pending in the California Legislature. He also will discuss procedures in his courtroom and questions from the participants.

The Bench-Bar Lunch will be held May 21, 2009 from Noon to 1:30 p.m. in the San Francisco Superior Court Judges' Conference Room on the 6th floor (across from the elevators) – Rm 617. Those who plan to attend should bring their own "brown bag" lunch. The program is open to all Litigation Section and ABTL members, but space is limited. Those interested in attending must register no later than May 19, 2009, by contacting Rick Seabolt at [RLSeabolt@DuaneMorris.com](mailto:RLSeabolt@DuaneMorris.com)

This event has been approved for .75 hours of MCLE credit by the State Bar of California.
